Adoration Chapel

Holy Name of Jesus is in need of adorers to commit to an hour of prayer at the adoration chapel. We urge our Brother Knights, if they have not already done so, to sign up and support this important activity. Call Louise Brennan at 777-6423 to make a commitment.

1st Friday Rosary

We will be doing our first **Friday Rosary, October 6th at 715PM in the Daily Mass Chapel.** It is important that we support this function. We have plenty of fellowship events but this is one that shows our spiritual support for our Faith and our beliefs.

From Your Grand Knight:

Frank Montelione

Over the last few years our council has become active in many activities that have brought much deserved attention to our Council and the Knights of Columbus. There are some key members who have worked hard and without them we may never have achieved these great accomplishments. These gentlemen and, in many cases, their families have carried the burden without complaint.

The path to leadership starts with volunteering. Out of a group or committee natural leaders emerge. In the KOC these committee leaders begin the journey to Grand Knight. I see potential GK's starting on this path. As they progress along this path their responsibilities increase. That's when we need the others most. I thank the Lord every time we begin a new project that we have never had a problem with manning the project. For those of you who have made the Christ Renews His Parish Retreat you are familiar with the Night of Discernment. On that night the team reflects on the upcoming duties and needs of the team. Before the evening is complete all members have a position that they agree to be responsible for.

I am not asking to have such a night but rather for you to prayerfully consider taking on some of the tasks we have before us. I am not speaking of time consuming or difficult jobs. Many tasks have "tick" lists already to use to guide the process. In some cases it's a matter of making a few phone calls. Some are more involved but there is a support group already in place for such things as the Tree Lot and the Beachside Festival. Most pressing at this time is the October 14th Law Enforcement Appreciation Night. The event venue is booked, the menu set. I need someone to chair the remaining tasks – set up, invitations to the honorees, ordering plaques, etc...

I am now asking others to step up, to ease the burden on the few that have begun the path to Council Leadership. We are a fraternal organization, one that promotes spirituality and camaraderie. I have said over my leadership term that I have accomplished nothing: it is the Council that has succeeded. Without your

involvement we would not have accomplished anything. Volunteer without asking, do it now.

Vivat Jesus

Frank

You know I would not let this message go out without mentioning "THE CRUISE". I may have neglected informing you that this is also a "fun"raiser. For every eight cabins booked we receive the equivalent value of the most booked cabin. We have 4 cabins booked. Simply put \$500 down and have until March to pay the balance. What an easy way to raise money for the Council.

Potpourri from the Deputy Grand Knight—September 14, 2006

After being gone almost a month where do I start? Perhaps with a quick summary of our recent trip to Lake George, NY representing our first real time away from all Florida responsibilities since we arrived here in June 2004! After moving, running from the hurricanes of '04, our construction/renovations of '05, KC and other HNJ immersions, it was a true change of pace to have nothing more pressing to deal with then reconnecting with Sue's father and family again. **Notice restful is not mentioned.**

After arriving at night and being advised by the in-laws that a fox "might be living beneath the camp and to be careful", we were provided some subtle differences the next morning when my 86 year old father/law brought me a small piece of plywood **to assist him** in closing out entrance to a gray fox that we are now told **had taken up residence** sometime during the past year **inside the 40 + year old Adirondack camp/cottage where we stay.**

Entrance was being gained beneath the building by enlarging an opening accommodating a water pipe into a garage addition attached to the rear of the house. Fortunately the animal was living inside a built in cabinet with multiple drawers and had not been able to penetrate further into the house. I was able to clean out the mess/nest and secure the entry point from inside the cabinet. Ergo, at the end of the day no more fox! Was it gone? No further evidence at our place and by the end of the visit it was comforting that nearby residents were now complaining of fox sightings in other parts of the neighborhood! Weather was wonderful for working and sleeping, travel was uneventful and I got to see and enjoy an old fashion county fair tractor pull contest.

Now back to reality! KC new membership activities take front stage in September and October. New member recruitment follows all masses the weekend of September 23rd & 24th with our KC Information Night (open to wives) October 5th, and First Degree October 12th, both in the community room at HNJ at 7:00 PM each evening. Our council 5845 1st degree team continues to work diligently to be ready for the Columbus Day exemplification! Anyone with a new member prospect should make every effort to get that person to the Information Night & the First Degree. If anyone should be uncomfortable with discussing membership, simply get a name/phone to event chairman **Craig Russell (779-2792)** and we will handle the rest!

Correction to the September calendar of events: KC Knights Night out followed the Corporate Communion on 9/23 following 4:30PM mass. There is **NOTHING** scheduled for 9/26.

The next Knights Night Out will be in conjunction with our Law Enforcement Award Recognition program and dinner, to be held Saturday, October 14th at the Schechter Center, Satellite Beach. Meet and greet at 6:30 PM, dinner and awards honoring beachside law enforcement personnel follows. Guest speaker will be Florida State Representative, Mitch Needelman, in his capacity as Environmental Regulations Chairman.

This will be our first community wide honorary ceremony for beachside law enforcement personnel. Actually and to my knowledge it will be our first community ceremony honoring anyone! It will be catered by Stuarts Bistro (AIA Indialantic) with an anticipated per head cost \$10-\$12. As a reminder, we have had several KC events at Stuarts (breakfast and dinners). Since the Knights are sponsoring this honorary event, it would **be nice to see as large a group of Knights/families as possible to make this a successful community award sponsored Knights program.** Please get this on your early calendar now and plan to attend. The project is worthwhile, the cost nominal. The **evening event still needs a chair person.** Call either Frank or I and we will get others to assist. By its very nature, this is going to have some media attention so **let's make sure any attention we get for sponsoring is positive!**

Dale Saunders, Deputy Grand Knight

Prayer Intentions (Brothers and Families in need of prayers)

- Bother Ron Stinton
- Brother Knight Jim Herrington, who has been having medical complications after having a stroke.
- Brother Tom Goedl, who has a new spot of skin cancer and suspicious mass in the neck area.
- Ruthie Montelione, undergoing chemo for breast cancer.

Annual National Life Chain

to be held on October 1st in Melbourne on the North side of Rt 192 from 2:00 PM to 3:00 PM. This year we will have 7 churches, responsible for covering a certain distance along 192. Holy Name of Jesus is assigned the area from the Olive Garden Restaurant west to Wickham Road. Park in (grassy) parking lot located between Haverty's and Bassett furniture stores. There will be a table there to sign in, take a sign, and join the chain on the sidewalk. We are asking all Knights to participate in this educating the public effort about the horrible act of abortion. About 47,000,000 American babies have been killed by their mothers since 1973.

K of C picnic

Saturday, Oct 7th from 11:00 AM to 4:00 PM. bring a salad or special picnic dish. The Knights will supply hot dogs and hamburgers, rolls, drinks, etc. Location is different this year. Since Pelican Beach Park is closed for renovation, we have reserved Howard Fuch Park (formerly Paradise Beach Park). We have the North pavilion near the volleyball courts. Please come out and support you Council.

Law Enforcement Appreciation Night

October is Law Enforcement Month. Our first responders are the people that allow us to sleep peacefully at night knowing that there are those special people who take on the responsibility to keep us safe. They are not only police officers but dispatchers, crossing guards that take care of our children no matter the weather, the Police Athletic League personnel who have one on one contact with the youth of our community and keep them from possibly having to be dealt with later on in life by Police Officers. We owe them more than a pay check.

October 14th has been reserved for just such a night. I have spoken to the chiefs of the various departments on the Beach, Melbourne Bch., Indialantic, Indian Harbour and Satellite Beach. They were delighted that the people they serve are making an effort to honor them. The event will be at the David R. Schechter Community Center, 1089 South Patrick Drive corner of Clarisa St. The room holds 90 people and the price is no more than you would pay for any other Knights Night Out - \$11 each. Stuart's Bistro will be catering a meat loaf dinner with a salad. Beer and wine will be served.

Please see Frank or Dale for reservations and make your reservations as soon as possible.

Pro-Life Message

According to Judie Brown, president of ALL (American Life League), the U..S. government is "forking over \$272 million dollars in tax money to Planned Parenthood -the world's number one abortion chain." ALL and other pro-life organizations are urging politicians to stop sending tax dollars to the "biggest baby -killer in the world. Since 1987 Planned Parenthood has taken in \$3.2 billion in tax dollars to fund its work. Since 1973 it has aborted 3.8 million babies with the help of 3.8 billion in tax dollars. If Planned Parenthood loses its tax dollars, it could possibly collapse. Pray for the end of abortion.
